

PATRICK AIL B. BANDOLA

WEB DEVELOPER

CAREER OBJECTIVE

Web developer with 4 months of expertise in web development and web design processes, from conception to delivery. Competent in web programming languages (HTML, CSS, JavaScript, PHP, MySQL), web design software (Figma, Adobe Photoshop), and Microsoft Office. Capable of pushing the boundaries of web development and design to help clients' brands stand out and grow.

PROFESSIONAL EXPERIENCE

Web Developer Intern

Teravision Corp., Sta. Cruz, Manila | April 2022–July 2022

- Using Figma and Adobe Photoshop, I created an original website design for Teravision.
- Teravision's homepage was designed and created to raise brand awareness.
- I collaborated with web developer interns to create a one-of-a-kind website for Teravision.
- Developed two more websites (YourOne Modern Bible App Website and Cologic Digital Agency Website) and ensured they fulfilled our clients' expectations.
- Managed up to three projects and multiple tasks at once, ensuring that our team reached its weekly deadlines.
- Based on their key marketing objectives, I advised clients on the best website design solutions.
- For one week, lead the web development intern team.
- Delegate tasks to a team of seven web development interns and offer advice on all elements of the project.
- Evaluate the quality and accuracy of all web development jobs completed by interns.
